Feeding America is the Largest Hunger-Relief Organization in the U.S.

Last year the Feeding America network:

HELPED

tens of millions of people in America

REACHED

every county in the U.S.

PROVIDED

5.2 billion meals

RESCUED

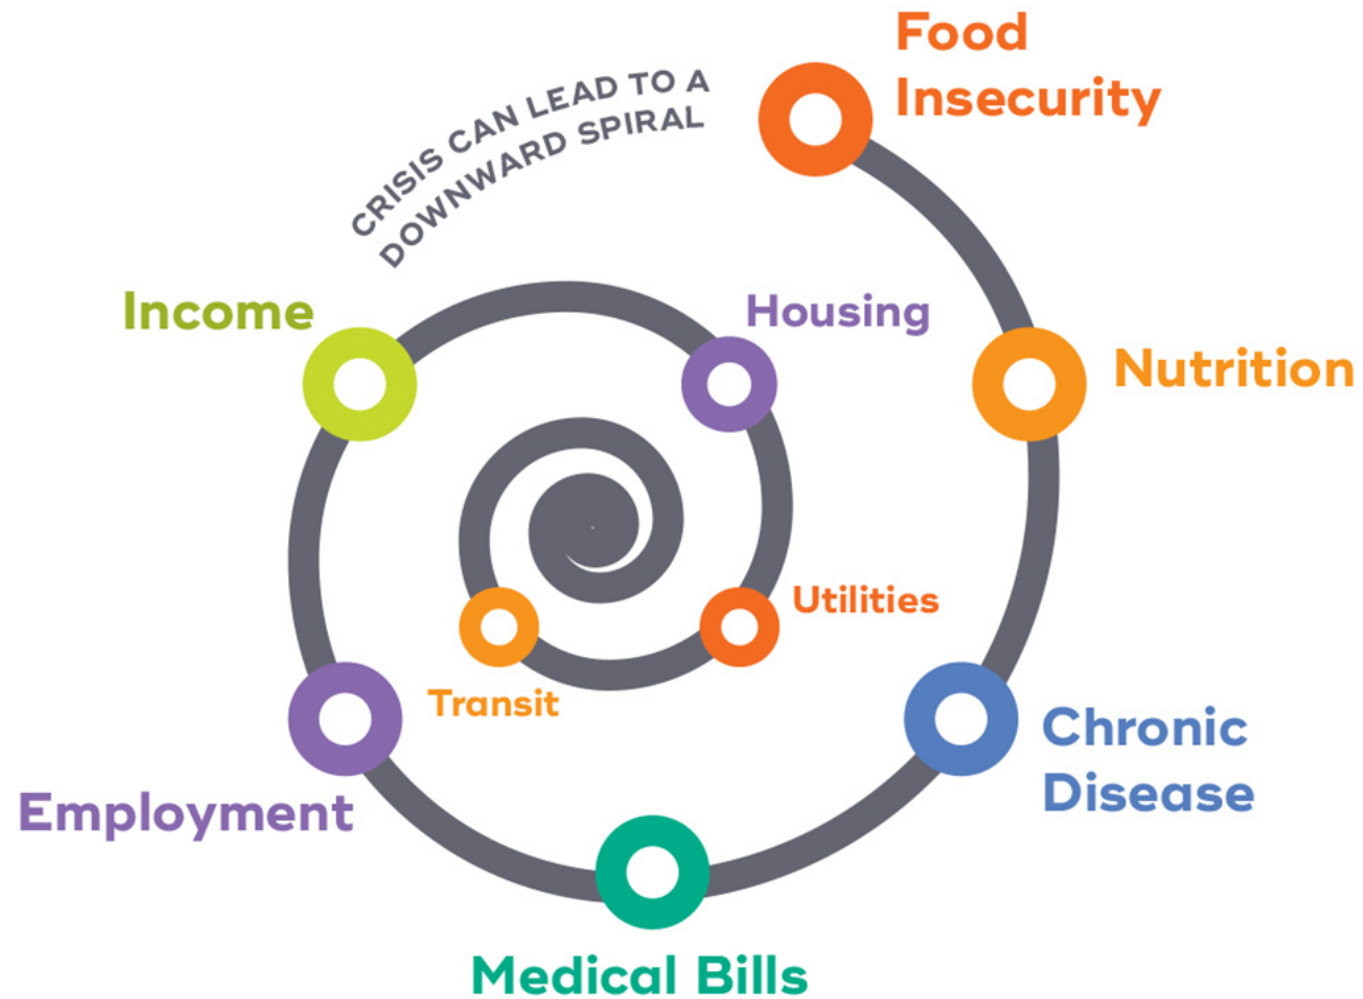

3.6 billion pounds of groceries from going to waste

ENABLED

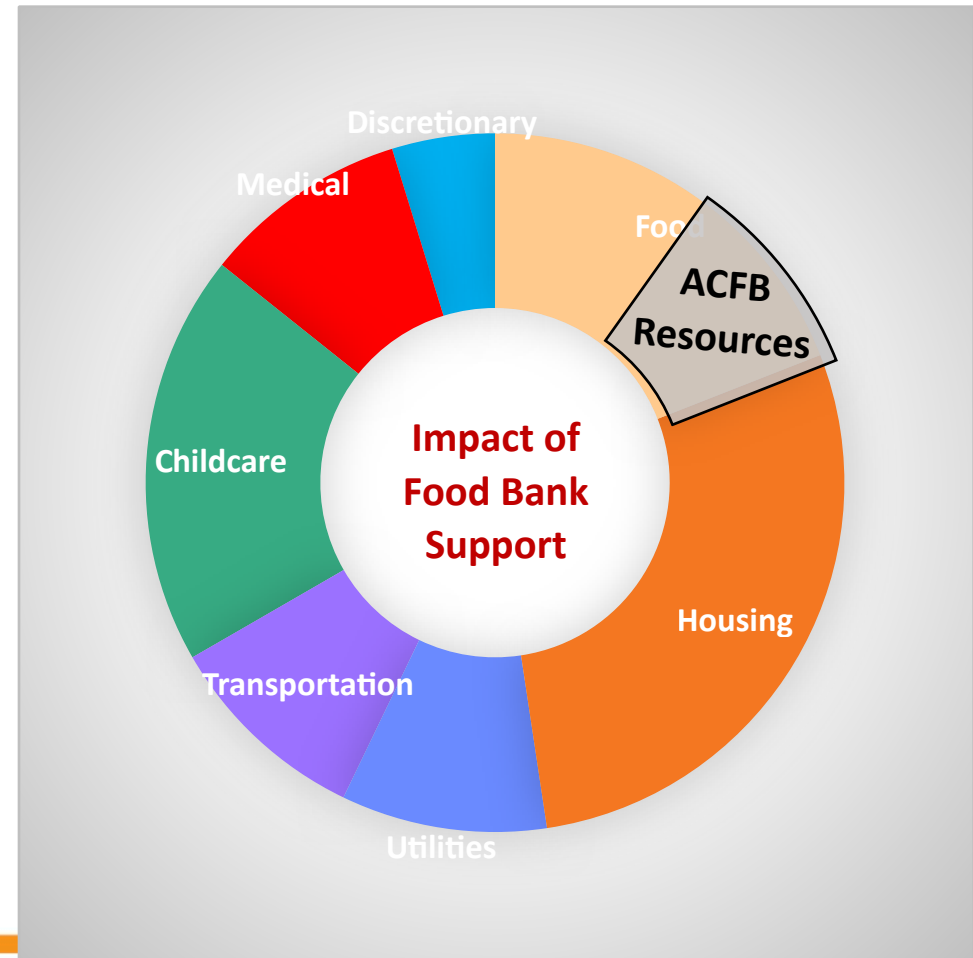

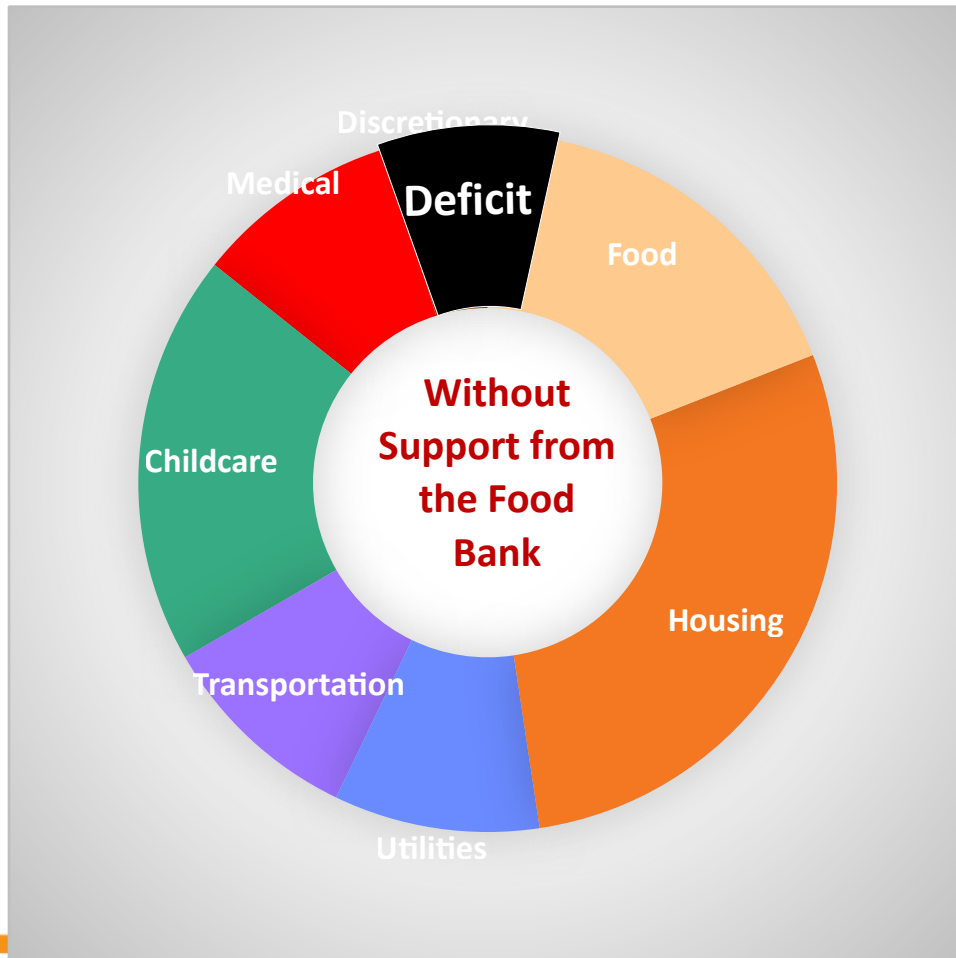

247 million meals through SNAP application assistance

Household Food Insecurity Spiral

INCREASING ACCESS TO FOOD GIVES FAMILIES BANDWIDTH, BREATHING ROOM AND CHOICES

Food insecure families must play a shell game with resources to try to meet their basic needs. Food assistance has a material value, giving families more bandwidth to think about and invest in their future.

Inflation Amplifies the Persistent Affordability Crisis

Even when inflation decreases, families will face tough choices between basic needs for the foreseeable future

CHILD CARE

1/3

Increase in families' cost per hour over the past 15 years

HOUSING

MEDIAN HOME PRICE

2.2X AVERAGE ANNUAL INCOME IN 1950

6X AVERAGE ANNUAL INCOME IN 2020

HEALTH CARE

NEARLY

70%

Increase in out-of-pocket costs from 2011 to 2021

Hunger in the Land of Plenty

"Even though I have insurance through my employer, the copays are frequently \$75 to \$250, and I skip appointments because it's a choice of eating or going to the doctor."

- Neighbor in Lake County, Florida

In 2021

34M people
in the U.S. faced
food insecurity.

that's
1 in every 10
individuals
