CAHEC Foundation Hosts Back-to-School Event in Wilmington

Wilmington, N.C., August 2024 –

Partnering with [Truist](#) and [Remnant Management, Inc.](#), the CAHEC Foundation successfully hosted a back-to-school event at one of the affordable properties in its portfolio. Cypress Cove is a 200-unit affordable rental community for families in Wilmington, NC. The event was held on August 16th and was attended by over 200 residents. Volunteers distributed 150 backpacks with school supplies like notebooks, folders, crayons, pencils, and more. Additionally, there was a station where children could decorate a water bottle to keep, and pizza and Italian Ice were served for all attendees to enjoy.

Truist volunteers were onsite to speak with residents about their banking needs and played a Financial Fraud trivia game with parents. Stefanie Lee, Community Relations Manager for CAHEC, shared the following about the event: "We were honored to work with Truist to provide backpacks and necessary school supplies to the residents at Cypress Cove. Providing resources that help children have a successful start to the school year is an impactful experience to have. Events like this are what brings communities together!"

The CAHEC Foundation is honored to have collaborative partnerships in place that allow us to provide resources to residents in the communities we serve. We look forward to hosting more resident events in the future.
