

New Markets Community Grant Application

The New Markets Community Grant is a one-time grant designed to assist our CAHEC New Markets (CNM) partners in providing life-changing opportunities to youth and young adults through wellness and education. The grant amount is calculated based on 0.15% of the allocation provided to the project by CNM. For example, a \$10 million allocation would make the CNM partner eligible to apply for a New Markets Community Grant of up to \$15,000.

A CNM partner is eligible to apply for funding once an investment achieves its construction completion date with eligibility expiring 180 days after an investment’s construction completion date.
